Aaron Boggs

Founder

Aaron Boggs is a seasoned entrepreneur and business leader known for his exceptional vision and strategic acumen. With a remarkable track record of success, Aaron has played a pivotal role in shaping the growth and success of multiple organizations. Formerly the Co-Founder and President of RevLocal, a leading digital marketing agency, Aaron has now embarked on his next exciting venture as the Founder of Infinite CXO, a Business Transformation Firm. As the Founder of Infinite CXO, Aaron is committed to leveraging his wealth of experience and expertise to help companies navigate complex business landscapes, overcome obstacles, and realize their growth ambitions.

In 2020 Aaron was awarded the Smart50 Executive Award for Columbus OH, being recognized as one of the Top Executives. In 2021 Aaron was nominated as a Finalist with Executives from Google and Duke University for the National Humor Award, for using the power of Optimism and Personality to lead an Award-Winning Culture.

Aaron has a beautiful wife named Liz. They have been married for 22 years and have 3 amazing daughters.
