Matthew Conner

Executive Growth Partner

Matthew has a depth of experience analyzing operational environments and providing crucial data-driven insights to develop strategic solutions, optimize operational efficiency, and maintain market growth. He began his career in the Air Force as an Operations Intelligence Specialist, then transitioned his skills to the corporate sector as a Procurement Manager and Operations Analyst at Bankers Exchange. Matthew has also had roles at AGG and Slalom, where he used his expertise in research, data, and analytics to craft tailored solutions across diverse industries. His work ensures adaptability to evolving business needs, significantly contributing to our success and competitive edge.

Matthew is married to his wife Shannon for 13 years and has two sons. He lives his life as an agent of change and growth, and is excited to bring this mentality to the Infinite CXO Team.
