

John Valentino

Executive Growth Partner, COO Lead

John most recently served as Founder & CEO of EMA, experiencing a success exit to McKesson. EMA is a leading healthcare IT company specializing in lowering healthcare costs for many of the Fortune 500 companies through enhanced sales, streamlining operational functions and revenue cycle management.

Notable career experience includes his COO and Executive Vice President role for HCSG. HCSG is a technology company that specializes in business process reengineering for healthcare organizations.

John is thrilled to bring his experience and expertise to Infinite CXO to foster growth and contribute to our clients' success. John was married for 36 years, has four adult sons and resides in Wilmington, Delaware with his dog Walter.
