# Tim Savage

## Chief Revenue Officer

Tim joins Infinite CXO to help build a Enterprise Brand. He brings an incredible track record of growing sales for companies by building client acquisition engines, leveraging AI in cutting edge technology integrations and leading high functioning sales teams.

As a dynamic Sales Executive, Tim has driven explosive growth and optimized sales processes. He has led high-performing teams to success, launching two U.S. sales teams from European companies. Tim's expertise is in spearheading initiatives that significantly boosted demo bookings and net revenue retention. He leverages his knowledge in Salesforce, AI and cutting edge technologies to build systems and strategic partner programs.

Tim resides in Lexington, Kentucky with his wife and young daughter. He graduated from West Chester of Pennsylvania and did his advanced studies at Wharton. He is active at his Church, enjoys golfing and fly fishing and is an avid UK Basketball fan.
